New Book Exposes ‘Spirit of Fear,’ Shows How God Can Bring Victory

Creflo Dollar’s ‘Overcoming Fear’ Releases Jan. 23

COLLEGE PARK, Ga. – Dr. Creflo Dollar, pastor, teacher and founder of Creflo Dollar Ministries (CDM), releases his latest book, “Overcoming Fear: Eliminating the Bondage of Fear,” on Jan. 23. The book teaches Christians that fear is not a normal part of life, shouldn’t be tolerated as such, and how God can bring victory.

Statistics from the National Institute of Mental Health (www.statisticbrain.com) reveal that the majority of Americans struggle with all sorts of irrational and unnecessary fears — from fear of public speaking to fear of death. Unfortunately, fear is just as rampant among professing Christians as it is in the public at large.

The seeds of Dollar’s latest book grew out of his own experience with fear. A tragic death in his family resulted in a seed of fear being planted in his soul “that surfaced when I married Taffi,” the founder and senior pastor of World Changers Church International writes. That fear took root and wasn’t uprooted until Dollar trusted God and had it released from his life.

“Millions of people live under the [stronghold stranglehold](#) of fear,” said Dollar. “Their lives are stunted, limited and even controlled by it. I’ve experienced what can happen when Satan and his spirit of fear gain a foothold in our lives. But there is victory, and I’m eager to tell my story, and the story of how God can bring us victory over this debilitating condition.”

“Overcoming Fear” tackles a variety of common fears that most people face, including phobias, the fear of failure, the fear of abandonment and the fear of intimacy. While those fears may be commonplace, Dollar sets out to remind readers of God’s covenant, which is “full of promises that cover every possible area of fear.”

“When we learn — or remind ourselves — about God’s covenant and His promises to us, we can begin to escape the bondage of fear in our lives,” Dollar continued. “It’s truly amazing what our lives can look like when we embrace these promises. We move from taking tepid steps to launching ourselves into all the possibilities that life and God have in store for us.”
