## **Creflo Dollar's 'Change Experience' to Kick Off in Tallahassee on Jan. 9**

### ***Ministry's Major Gift to Benefit Refuge House***

TALLAHASSEE, FL. – Creflo Dollar, pastor, teacher and founder of Creflo Dollar Ministries (CDM), which oversees churches across the country with congregations totaling more than 30,000 members, will kick off his "Change Experience" convention tour in Tallahassee Jan. 9.

The Tallahassee "[Change Experience](#)" is free and open to the public. Registration via the ministry's web site is encouraged. The convention opens with an evening session of worship and teaching on Thursday and a full day of morning, afternoon and evening sessions on Friday.

Dollar will be presenting a major gift on behalf of CDM to Refuge House ([www.refugehouse.com](http://www.refugehouse.com)), a local domestic and sexual violence center serving the eight counties of the Big Bend. The organization provides domestic violence and sexual assault hotlines, emergency shelters, counseling and assistance in securing protective orders.

The "Change Experience" convention offers what organizers are calling "inspiring praise and worship and messages based solidly on the Bible, which will empower men and women with a transformative experience." Messages are designed to bring answers that "change people's lives and start them on a path free from worry caused by life's most common problems."

Dollar will be joined by Taffi Dollar, co-pastor of World Changers Church International and Michael Smith, founder and senior pastor of THE CHURCH Group Worldwide.

“This time of year, so many men and women are focused on experiencing real, substantial change in their lives,” said Dollar. “We look forward to connecting with the people of Tallahassee and sharing how God’s grace will enable them to win in every situation.”

The Tallahassee convention marks the start of a six-city “Change Experience” international tour, including Birmingham, Ala.; Dallas, Texas; Montego Bay, Jamaica and Toronto, Ont., Canada. Attendance at each convention will range from 1,500 to 4,000 people. In each city, a local charity will receive a substantial donation.
